**CERTIFICATE OF MAILING**

I hereby certify that the following Information-Disclosure Statement is being deposited with the United States Postal Service as first-class mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231, on July 23, 2001.

  
Michael Attaya

Honorable Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

**INFORMATION-DISCLOSURE STATEMENT**

In keeping with the duty of candor and good faith owed to the Patent and Trade-mark Office, Applicants wish to bring to certain information to the Examiner's attention.

About a year or so ago, Applicants are aware that a network was constructed in central Massachusetts which included a microwave link between an industrial park and a central office. The industrial park, which was not a central office, represented a concen-

tration of subscribers/customers. The microwave link was used to back-haul traffic to the central office for hand-off to the incumbent local exchange carrier. This network did not provide or constitute a wireless interoffice facility.

Applicants are also aware that, in the 1940's, AT&T constructed a microwave network for long distance telecommunications between major cities.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,

---
